

## OUTREACH

We are a group of dedicated Outreach workers who will come to your school to work with these children, using specialised programmes within your school setting.

*We cover work with children in Nursery / Reception / KS1 / KS2 / KS3 / KS4 and have a range of programmes which can be bespoke for each individual. We can also support when writing PSP's or attending professionals meetings / CAFS / TAFS etc.*

If you feel that a child at your school is struggling to access the curriculum through bad or attention seeking behaviour, or has a disaffected home life which impacts on their learning ....then Outreach from The Park could possibly help.

For further information regarding the service we offer please contact the Outreach Manager and Assistant Headteacher Sarah Kydd at The Park on:

01707 651691 ex:3237
